

CRX-400 GOLF & SPORTS TURF ROLLER MOWER

The **CRX-400** will transform golf and sports turf by producing the finest cut quality in all weather conditions.

Sharing the marketing market-leading features of the Wessex CRX-320 roller mower, the CRX-400, at 4m wide, will increase productivity whilst following the ground contours accurately. Full-width rollers front and rear ensure a prestigious stipe, whilst the compact design maximises ground contour following.

Pro-Lift allows for partial deck lift, and the factory-fitted GoldCut blades ensure the finest clippings dispersal, so you no longer need a sweeper to collect unsightly debris.

Like the CRX-320, maintenance is quick and straightforward, and a 3-year warranty has been included for peace of mind.

For maintaining sports and golf turf, the CRX-400 is the perfect choice.
